Influential management professor Jim Collins released the popular Good to Great: Why Some Companies Make the Leap...and Others Don't in 2001. The book is really a research project led by Collins as a follow-up to his book Built to Last: Successful Habits of Visionary Companies.He researched hundreds of companies to identify sets of "good" companies where one became "great" while a ...

7 Lessons from Good to Great - Lean East

Good is the Enemy of Great. The book is about being great, not merely good. Good is the enemy of great. Many people and companies settle for good because it's easier. Many companies don't even try to be great. There're not striving to be the best in the industry. This opens the door to competitors.

Book Summary: Good to Great by Jim Collins.

The primary selection process consisted of baselining the 'good to great' companies at three times the market for fifteen years including 15 years of good performance (1.25 time the general stock market) preceding the transition while the company had to be an established, on going company, not a startup.

Amazon.com: Good to Great: Why Some Companies Make the ...

“The good-to-great companies made a habit of putting their best people on their best opportunities, not their biggest problems. The comparison companies had a penchant for doing just the opposite, failing to grasp the fact that managing your problems can only make you good, whereas building your opportunities is the only way to become great.

Good to Great Quotes by James C. Collins

For more than a quarter century, Jim has studied what makes great companies tick. The result is a series of authored and coauthored books, each looking at the question from a different angle, written for leaders in the business and social sectors.

Jim Collins - Good to Great

The good news is that the secret to being great isn't a mysterious black-box. It's not a secret at all! We can break it down into a few qualities, many of which are outlined in this article.

200 Questions to Get to Know Someone - The list you are ...

Good to Great is a book that talks about 11 Fortune 500 companies that were great and what set them apart from their competitors. It is written in a way that is very easy for anyone to read and understand the concepts. You do not need to study business to understand what the companies did in order to be successful.

Good to Great: Why Some Companies Make the Leap...And ...

Although many of the conclusions of both of the books overlap, Collins notes that Good to Great should not be seen as the follow-up to Built to Last, which focuses on sustaining success in the long-term. Instead, Good to Great actually functions as the prequel to Built to Last. First, a company should focus on developing the foundation that is necessary to work toward greatness.
