### **fibule : définition de fibule et synonymes de fibule ...**

A fibula (/ˈfɪbjʊlə/, plural fibulae /ˈfɪbjʊli/) is a brooch or pin for fastening garments, typically at the right shoulder. The fibula developed in a variety of shapes, but all were based on the safety-pin principle. Unlike most modern brooches, fibulae were not only decorative; they originally served a practical function: to fasten clothing, such as cloaks.

### **Fibules grecques et romaines - CelticWebMerchant.com**

Présentation. Utilisées par les Étrusques, dès leur période orientalisante (VII e siècle av. J.-C.), les fibules étaient surtout destinées à attacher des vêtements, certaines ayant pu jouer un simple rôle de broche décorative. C'est une amélioration par rapport au nœud ou à la simple aiguille moins fiable et qui se perdait plus facilement.
