Spence's book,
Meaning and
Interpretation in
Psychoanalysis, is so
disturbing and so
revolutionary, in the
sense of essaying so
radical and
fundamental a critique
of our most central
clinical and theoretical
operating assumptions.

Truth and History: Historical Truth and Historical Narrative

Confusion between how something is narrated (narrative truth) and what actually happened historically (historical truth) exists as a hazard in the psychoanalytic profession. This same confusion can be a harbinger in the field for feminist ethnographic research.

it is distorted, it may be described as a delusion; in so far as it brings a return of the past, it must be called the truth" (p. 130).

"Historical truth" is thus revealed to be distinct from historical exactitude when the latter does not involve this passage by way of the repressed, and the truth is not implicit in historical narration, for this is, on the contrary, the site of compromise

In historical narrative, of course, one also has two aspects of truth, the truth of the event as narrated and the truth of the interpretation as provided. One can agree that the events of a biography of Churchill or Eisenhower are correct and yet disagree with the historian's assessment of each man.
