Key components of property management (renting and collecting rent) are considered real estate activities under existing New York real estate licensing laws. If a property manager is going to rent, list, negotiate the rental of property, collect rents, or place tenants on behalf of a landlord client, he or she will need a broker's license.

Property Management Laws in New York | All Property Management

The Guardian for Property Management If you are Guardian for Property Management, you must now start to manage the income and assets of your loved one. Taking control of your ward's property is called "marshalling the assets." In general, the rule about managing another person's assets is to be very careful in how you spend or invest your ward's money.
