The Healthcare Fix Universal Insurance

The fix, according to Kotlikoff is to scrap the two federal programs and replace them with universal health adjusted medical insurance vouchers. A young healthy individual would receive a small voucher say \$5000 per year while an older less healthy individual would get a voucher of say \$50,000 to buy a full private insurance policy.

The Healthcare Fix: Universal Insurance for All Americans ...

About The Healthcare Fix A simple, straightforward, and foolproof proposal for universal health insurance from a noted economist. The shocking statistic is that forty-seven million Americans have no health insurance. When uninsured Americans go to the emergency room for treatment, however, they do receive care, and a bill.

The Healthcare Fix: Universal Insurance for All Americans ...

In The Healthcare Fix, economist Laurence Kotlikoff proposes a simple, straightforward approach to the problem that would create one system that works for everyone and secure America's fiscal and economic future. Kotlikoff's proposed Medical Security System is not the "socialized medicine" so feared by Republicans and libertarians; it's a plan for universal health insurance.

The fix, according to Kotlikoff is to scrap the two federal programs and replace them with universal health adjusted medical insurance vouchers. A young healthy individual would receive a small voucher say \$5000 per year while an older less healthy individual would get a voucher of say \$50,000 to buy a full private insurance policy.

The Healthcare Fix: Universal Insurance... book by ...

A simple, straightforward, and foolproof proposal for universal health insurance from a noted economist. The shocking statistic is that forty-seven million Americans have no health insurance. When uninsured Americans go to the emergency room for treatment, however, they do receive care, and a bill. Many hospitals now require uninsured patients to put their treatment on a credit card which can saddle a low-income household with unpayably high balances that can lead to personal bankruptcy.
